

CAIPET
Bedding & Solutions

CORNCOB

Vegetable bedding entirely made of corn cob, 100% natural with no additives and bio-degradable without any residual dust.

The liquids in contact with the corncob are completely absorbed, leaving the surface always dry, even after 10 days in the cage, the corncob does not cause allergies to animals thanks to its natural composition that prevents the production of bad odours.

Product subject to controls by ACCREDIA-certified laboratories.

- High absorption: 4 l/Kg
- Absorbs natural odors
- 100% natural product
- Humidity: Max 5%

Prepared in autoclavable bags of 12,5 Kg or 20 kg.

Each bag is individually labelled with batch number and production date.

Pallet 80x120cm of 30 or 40bags

The pallet is wrapped with a plastic film for a complete protection against external events.

Option:

Irradiation to 25kgy with double packaging
